Technical drawing of a rectangular box. The top view (VISTA SUPERIOR) shows a rectangle with a total width of 130 and a total height of 109. The width is divided into a central section of 72 and two side sections of 58 each. The height is divided into a central section of 72 and two end sections of 18 each. The side view (VISTA LATERAL) shows a rectangle with a total width of 130 and a total height of 109. The width is divided into a central section of 72 and two side sections of 58 each. The height is divided into a central section of 72 and two end sections of 18 each. The drawing includes labels for 'VISTA SUPERIOR', 'VISTA LATERAL', 'CORTE', and 'CORTADO LATERAL'.

The image contains two architectural drawings of the 'Casa de la Memoria'.

**PLANTA:** A top-down view of the house. It shows a central rectangular area with a red crosshair. The overall width is 8.00 and the depth is 5.00. The walls are 0.25 thick. There are four rooms, each labeled 'Cuarto de Dormir' (Bedroom). The entrance is on the left, labeled 'Entrada'. The drawing is labeled 'PLANTA' at the bottom left.

**CORTE:** A cross-section view of the house. It shows the vertical structure of the house, including the roof, walls, and floor. The drawing is labeled 'CORTE' at the bottom left. It shows the internal layout of the house, including the 'Cuarto de Dormir' and the 'Entrada'. The drawing is labeled 'Corte' at the bottom left.

The image displays three architectural drawings of a building facade:

- PLANTA (Plan View):** Shows a square footprint with a central square void. The overall width and depth are both 1.00. A vertical red line indicates the centerline. A dimension of 0.10 is shown for the thickness of the side walls.
- CORTE (Section View):** Shows a vertical section of the facade. The total height is 1.10. The top section is labeled "NO SE PUEDE VER EL ARQUITECTO" (The architect cannot be seen). The bottom section is labeled "SE VE EL ARQUITECTO" (The architect can be seen). The central void is labeled "ESPACIO CENTRAL" (Central space). The side walls are labeled "PARED LATERAL" (Side wall). The bottom wall is labeled "PARED DE FONTO" (Front wall). The top wall is labeled "PARED DE FONTO" (Back wall).
- CORTE (Section View):** Shows a vertical section of the facade. The total height is 1.10. The top section is labeled "NO SE PUEDE VER EL ARQUITECTO" (The architect cannot be seen). The bottom section is labeled "SE VE EL ARQUITECTO" (The architect can be seen). The central void is labeled "ESPACIO CENTRAL" (Central space). The side walls are labeled "PARED LATERAL" (Side wall). The bottom wall is labeled "PARED DE FONTO" (Front wall). The top wall is labeled "PARED DE FONTO" (Back wall).
